Sir,

I have the honor
to ask that you will grant me a transfer
from this department to that of Middle
and East Term.

I make this request because I find
that my health is failing, and believe
that a change of climate is necessary
to its restoration.

I have served in the hospitals and
field in this department for upwards of
one year, and am becoming incapable of
properly performing my duties because of
debility. I beg that you will
grant my request.

Colonel:

Your letter of the 1st inst. has
been received. I have been pining at increased results
but in a manner different from that indicated, in your letter.
The claim for the arms turned out here Superiority in
workmanship over those made elsewhere in the Confederacy,
and desired to keep up the quality of the arms. To do
this, it was thought best to increase gradually the number turned
out, and you will observe that twenty more arms are or-
dered for last month than for previous months, and it was
intended to increase by twenty a month until it was evident
that the maximum was reached, without deteriorating from the
quality.

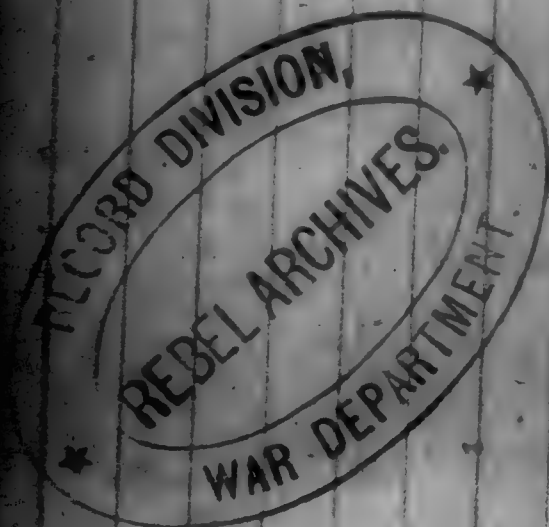

Every effort will be made to meet your Expressed Ex-
pectations, but we require an immediate supply of barrels
and your good favor to do so.

Very Respectfully,

Yours Obedt. Servt.

We have also ready

great risk, and if we send

Colonel:

Mr. Williamson, Special

Messenger returned from Richmond yesterday without any
gun barrels and to-day I have received the enclosed
letter from Major Dornet, fixing no time for finishing the
barrels. I have already reported that we have but (202)
two hundred and two barrels on hand, good and bad, in
all stages. We are not prepared to make barrels for our-
selves and have not the material out of which to make
them.

This failure to supply barrels from the Richmond
Armory is very seriously embarrassing the operations of our
Army. Can it not be remedied?

Very Respectfully,

Colonel J. G. Jones,
Chief of Ordnance,
Richmond Va.

Colonel:

Mr. Williamson Special Messenger
from the Arsenal & Armory has returned from Richmond to day
without the gun barrels, much to my disappointment. We
have only enough on hand to keep the first boxes engaged a
fortnight, and if we do not receive a supply in that time, we
will begin to go behind hand. Please have the barrels, which
Major Palmer has ready packed, forwarded immediately, they might
come by a passenger train without interfering with Military movements.

The supply of barrels was not willingly, or carelessly
permitted to go down so low, for they were asked for on the 6th
of Apr. by D. Col. de Lyne, and several times since by myself.

Can you not direct Maj. Palmer to have three hundred
and fifty barrels packed for me, monthly on the 15th day of the
month? the Messenger who goes on with the finished arms, about
that time could bring them back.

I wish, as far as possible, to make our barrels here, so
as not to be dependant on the Richmond supply, but have
not been able to begin to do so, as yet, for want of some
iron 1 1/2 in. square, soft, easily melted, and not liable
to open when heated.

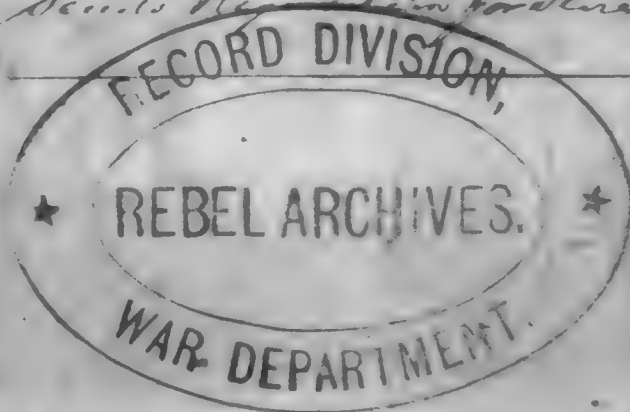

Can you not order a supply of such iron to be
sent here by horse the first month?

Sir

I have the honor to ask for authority to raise a Company of Mounted Riflemen, and, if necessary, to take men of Conscript age into the Company. The Company to consist of 100 Non-Commissioned officers and privates, the officers to be appointed.

Some weeks since I was informed from the H. Q. of this Department that the enemy was preparing to make a raid from Newbern upon Fayetteville and Raleigh, and Genl. Whiting sent an Engineer officer to report to me who is now fortifying the town.

The Genl. has no Cavalry to spare from the line of the R.R. for Fayetteville, and in case of a raid I should have to collect hastily mounted citizens for the purpose of removing flats on the river, watching fords, burning bridges, obstructing roads etc. and

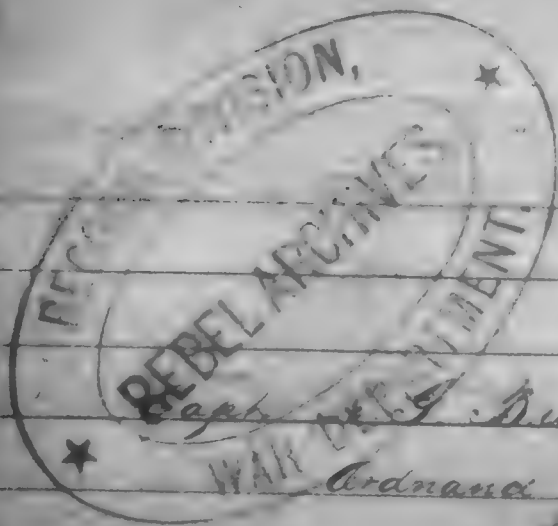

bring in information. In addition to the
machinery & materials at the Arsenal and
Armory there are six or seven cotton factories
in and around Fayetteville to be protected,
and in my opinion a small mounted
force is very desirable. Some of the
factories are seven miles distant and could
be reached by an enemy without passing
through the town.

I do not think a Company could be raised
in a reasonable time without taking men
of conscript age.

to procure iron suitable for Gun Metals.

The contract with the Franching Forge was made
with this view. the contract was made, later
in July it was then necessary to make extensive
repairs. but the Contractors are now delivering iron.

hence the could be procured at once by Major

iron.

I do not suppose you have it, but I am a little
know what the prospect is of getting it.

We have for some time been working
at great disadvantage & this month every thing will
be used up. What can possibly make a barrel, at the

preferred.

Capt. B. no doubt advised you of the Yankee Raid made on the works recently & I fear that nothing can be done by the Contract-ment until troops are sent to protect the establish-

in the samples of "Mississippi" Cartridges forwarded

Major General
 Dept. of the Army

Major:

I have reviewed yours of the 9th inst in regard to James O. Buckner. I discharged him because I believed him to be opposed to lawful authority & a leader of discontents in the Establishment. I intended that he should go to the field & if he is sent there, it will have a most salutary influence there, and I respectfully request you will not employ him.

The removal of Mr. Buckner ^{from the ranks of other regiments} has already made a marked difference in the tone of ^{our} ~~my~~ ^{our} employees & if any measures are not remedied negatively, I expect to have the cordial cooperation of all the employees in rendering the Establishment efficient. To give Mr. B. employment in the Richmond Armory, would not only render this measure of discipline negative, but something more, for when it became known that a man can be employed at Richmond who is discharged for misconduct there, it will in some cases become an inducement to misbehave in order to procure a discharge, & thereby if

the alternative is, to remain here or go to Prague Army,
the inducement to good conduct is a strong one.
I am writing you with separate my motives, which
are solely the good of my Establishment, & am, Major

the improvement

increase the sup-

The prices Bul-

Sir:

Please let me know what price you consider
a fair price for hides, green or dry. The Commission
you will have fixed the price for dry hides at \$2.25
and green at \$3.00 per lb. The dry hides have been
selling in the market for \$3.00 and upwards. I have
received one or two offers from dealers in hides to purchase
for me at \$3.00 per lb. If this price is not regarded
as extravagant, I can secure a larger quantity than I
could by myself. I have secured two or three lots
by myself and I fear that I cannot get many more in
this way as the season has been so cold and business transac-
tions in these mills have been very slow.

Major:

Your note of the 2^d inst has been received in
regard to model bayonets.

It seems very difficult to understand what I want,
I wished to know whether steel could be furnished for our
bayonets. If the answer is "yes" I know what to do, viz
to make tools suitable for the steel bayonets as made at Harpers
Shoys a model of which I have.

If steel cannot be furnished - then iron must be used,
and the iron I suppose will be attracted for an iron bayonet after
the model 1855 would be just double in a very short time in
the hands of our troops. I therefore asked for the model of an iron
bayonet, in case steel cannot be furnished.

I have lately received some 500 lbs of steel of suitable size
for our bayonets, and taking this as an answer to my Enquiry,
I am making tools for the steel bayonets.

Colonel:

I Enclose two communications received within the
past fortnight by which you will see that the Army
will lose two of its most experienced foremen, Mr. Phelan
and Mr. Martin, both old Hepner Forge men - Mr. Phelan
also an old Hepner Forge man and one of our best machinists
has stopped work - all of them allege insufficiency of pay &
all are receiving \$5.00 per day, the highest rate paid here.
There were one of course more conscripted. From what I can
learn the dissatisfaction is caused fully as much by the inequality
which exists between the rate of pay here and at the Richmond
Arsenal, as with the amount of pay in itself.

The Richmond Arsenal has every advantage over this in
getting material & machinery and food & clothing for the men, &
I respectfully request that the prices paid the men, in the respective
Armories, be according to the same standard, that in this point
at least our Armories may not feel the disadvantages of their
locality. Please let me ask that Mr. Martin who is
going to Richmond with Dr. Family be refused Employment

in the Among and Shesha's Carbine Factory there. His
conduct has been unsuspicious throughout but it is
suspicious that the men here should feel that they cannot
transfer themselves at pleasure. I make the same request

June 22nd 1863

Chap.

In view of the expectations of the Department, to turn out at this Armory 500 Arms for the month of July next, I deem it essential to state, that the wishes of the department cannot be met in consequence of the want of material for the manufacture of Barrels.

By reference to my Annual Estimate for material for the year ending June 30th 1862, it will be observed, that 25,000 lb of Barrel Steel were required. Requests for Barrel Iron were also made on a latter date, and on the 26th October 1862, I suggested to Lt Col. de Sagne the propriety of obtaining a regular monthly supply of Rolled Barrels from the Richmond Armory, & if my recollection serves me correctly, the department favored the proposition. In the mean time however, the stock of Barrels originally forwarded from the Harper's Armory, were daily diminishing, when at the end of May 1863, the total number of Barrels, in all stages, became reduced to 263.

It is proper here to state, that a regular & uninterrupted manufacture of the Arms cannot possibly be carried on, without having at least triple the number of Barrels, on hand in the different stages of Operations (of which there are no less than forty), over and above the number required for monthly issue. The limited number of certain kinds of stock on hand, rendering this Policy absolutely necessary for the simple reason, that the number of Operations cannot be performed within a proper time unless commenced at the early part of each month. In conclusion I beg leave to state, that I must respectfully decline the assumption of any responsibility in a matter where it is not in my power to control.

Colonel J. Gargas - Chief of Ordnance

Colonel

I have the honor
to enclose a report received from the Master
Armorer of this Post as to the supply of
barrels and to request that this serious
stumbling block be removed - I have
delayed sending this paper to you in the
hope that my messenger Mr. Williamson
would return from Richmond with a
supply of barrels in response to the
appeals to Maj. Sumner

Fayetteville Arsenal & Armory
June 15th 1863

Maj. H. S. Sumner &c.

Col. Gargas writes that he has
turned over to you my letter of the 6th inst.
in regard to barrels. He needs 500 to be
supplied this month and 600 in the month of
July and each following month -
You will relieve my mind very much by

sending them as soon as possible. We had nearly reached the last barrel on hand before receiving this your last letter. Please let me know what to expect. We intend to make the barrels here ultimately but cannot take the first step towards doing so for the want of suitable iron for the purposes.

Respy. Yr. Obed. Servt

E. L. Chiles (Maj. Indg.)

To this Maj. Sumner answered on the 19th and Capt. Lawrence on the 20th saying they would send the barrels as soon as they possibly could.

But today is the 30th of July and I find only (302) two hundred and two barrels on hand in all stages (after deducting those belonging to the month of June) and some of these will be condemned.

Col. de Legnel wrote on the 6th of April for 700 barrels which were wanted then; three hundred and fifty five were sent in April and two hundred and twenty eight in June. That is, nearly three months have passed and the full number required there has not yet been supplied. In the meantime we have used up all the barrel steel on hand

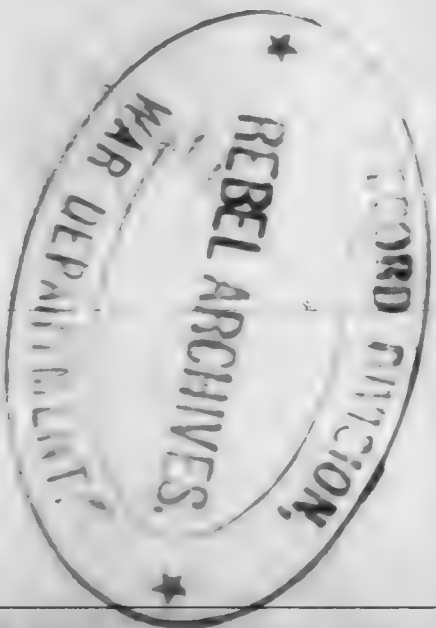

and are absolutely dependant on Maj. Sumner.

In the letter to Maj. Sumner I have asked that (1100) barrels be supplied before and during the month of July and six hundred in every following month, this is short of the number which Mr. Burkhardt asks for to enable him to work with advantage and meet the expectations of the Bureau. I respectfully request that extraordinary exertions be made to meet my requisition.

I am Colonel very Respy. Yr. Servt.

Colonel:

I have to request that working drawings of the machine used in the Richmond Arsenal for making the Rifle Muzzle Cartridge be sent me as soon as possible.

It is observed that the muzzle of our Rifle is 0.58 in diameter, and that of the Rifle Muzzle about 0.7125. Please inform me if you desire me to alter the form of our Cartridge so that the Cartridge may interchange, or simply to make a limited Cartridge for our use without altering the shape of the Cartridge. If the Cartridge are to interchange, please indicate how it is to be done, for it seems to me that a shoulder left in the Cartridge would spoil the appearance of the arm and make a weak place in the Cartridge.

Forgettable Journal of Amory
July 30th 1863

H. H. Taylor - S^r Auditor of the Treasury
Sir

Some - two weeks since, I received
such information of the advance of the enemy
towards this port as to warrant my taking
extraordinary means to procure early and
reliable information -

I made a requisition on the Mayor of the
town for fifteen couriers which were furnished
the men being instructed to mount themselves
on any horses they could find -

It appears that a horse of Mr. Thomason
was taken and so much injured that
he died a few days afterwards, and
Mr. T. presents a claim for the value
of the horse -

I have the honor to ask information as to
the proper way to present this claim for
payment - Your attention to this matter
will oblige

Confed States Arsenal
Charleston, November 26th 1862

General W. B. Beauregard
Comdg Dept of S. C. & Ga
Charleston S. C.

General

I have the honor to state that Brig
General Ripley visited this Arsenal this morning
and demanded that I should immediately comply
with a requisition for two bands for a \$12 per year.
I stated that I was about to call your attention
to a paragraph of the Ordnance regulations - that
it would take about half an hour to do so, and
refused to comply with his demand until I could
see or hear from you with reference to it -

I wish from the high respect I bear for yourself
General, to make one more attempt to show you
that the course indicated by General Ripley was
one of injustice to myself and the Ordnance Dept.,
and if I failed in this I intended to yield the
point and make proper representations to the
Chief of Ordnance, which would be rendered
necessary by the Regulations of the Army and the
repeated orders and instructions of the Ordnance
Bureau -

These representations however could not be made
as a Company of soldiers were marched into
this Arsenal, a guard placed before my door and
instant obedience to an order from General
Ripley in person demanded -

I have the honor to enclose copies of letters from
Colonel Grogan and myself and of an endorsement
of the Secretary of War thereon approving Col
Grogan's construction of my responsibilities which
tallies with his own construction - Copies of these
papers were furnished to Genl Ripley a year ago
and with his use upon he treats with contempt
the decision of the Secretary of War, and hence

due to the gale fraction allowed by any good
soldier, of even a seeming disobedience, of orders
I wished to state to you further that General
Ripley has expressed the opinion openly that
the Ordnance Department is an obstruction from
the chief of Ordnance down - and by acquiescing
to General Ripley's representations you would
assist in giving colour to a most unjust and
uncalled for accusation on my Corps by taking
a portion of my Ordnance duties from me and
turning them to an Officer of the line -
I have to state further that I have made every
arrangement for banding these guns having
ordered them some time since and made
them more urgent and extended - that I have
obtained a portion of the iron from Atlanta and
which is further supply - that the bands have
been waiting for the guns and it was my
intention to give them either to Eason or Cameron
as seemed best for the most speedy execution
of the work which has been delayed thus far
solely because the guns were not sent up to me.
I wished to state also most positively that
General Ripley can have the guns banded no
faster than I can whatever may be promised.
I understand that General Ripley has been
promised by Mr Eason certain results. Why
can this not be executed as well for me?
I have given the necessary orders - they know
that know that I will pay what is proper, and
they have promised me to finish the work as
fast as possible - I have Cameron's Establish-
ment and the R.R. Company also engaged
in this work as will appear from accompany-
ing papers - There can be no proper reason
for the Easons not working as well for me
as for General Ripley -
In conclusion I have to state that I protest
against General Ripley's right to place me in

armch - I yielded from the Church of force and
not from Amicilia -
I have therefore been played in armch for refusing
to fill a requisition of Gent. Ripton in the instance,
after receiving my leave to make representations
although proper leave, which I stated would
take half an hour - The order given me for
Gent. Ripton was in direct violation of a
decision of the Secretary of War, of which he
had been informed on a previous occasion,
as well as in direct violation of the Regulation
concerning an attentive perusal of
the accompanying papers, especially of that
containing the decision of the Secretary of
War -

Very Respectfully
and Obediently

tains information relative to
the man named, on the subject
mentioned above.

Wilder's Dir. & Hospital
Nov 7th 1864

I certify that I was present when Asst Surgeon
H. S. Childs turned over to Capt B. F. Boulton
of 2nd Me one large bay mare in the place of
one lame black horse which horse is now in
possession of Dr. A. D. Chaplain of the 5th
Regt. He said ~~that~~ at the time of its capture
was very lame & could barely be gotten into
a carriage or mounted from a horse. The mare
that was turned over to Capt Boulton was a private
horse purchased from a Cavalryman & was equal in
value to the sick horse. Capt Boulton remarked
at the time of the trade that he would not give
twenty five cents for either of the animals.

J. L. Harris Jr
Surgeon 59th Pa Regt.

I am in receipt of above facts. Having been
at that time in the Quartermaster's Dept
of 5th Pa Regt. and saw further certify that the
bay mare was branded "S" and under orders
of the Quartermaster of the 5th Pa Regt. &
turned over to the 5th Me. B. Regt. &
by him turned over to the 5th Me. B. Regt. &
at that time to the 5th Me. B. Regt.

Bureau of Conscription
Richmond, July 20, 1864

Respy returned to the Secretary
of War.

The applicant was appointed Enrolling Officer and assigned to duty in Mass. His appointment, together with that of all others holding similar commissions was not confirmed by the Senate. Many of these officers were of great experience in the business of Conscription and their loss in some sections has caused a partial suspension of the duties devolved upon the Bureau. The War Department, therefore, authorized their retention until their places could be supplied by officers retired under the invalid corps' bill. When an invalid officer can be procured to supply the place of the applicant he must be relieved from his present duty and assigned on account of his infirmities for field, to some of the duties enumerated in the

8th Section of the Act of Congress of July 17, 1864. To retain the services of an officer trained and experienced in the Enrolling service, it is recommended that he be appointed Drill Master, and ordered to report to this Bureau for assignment to duty.

Bureau of Conscription
Richmond July 27, 1864

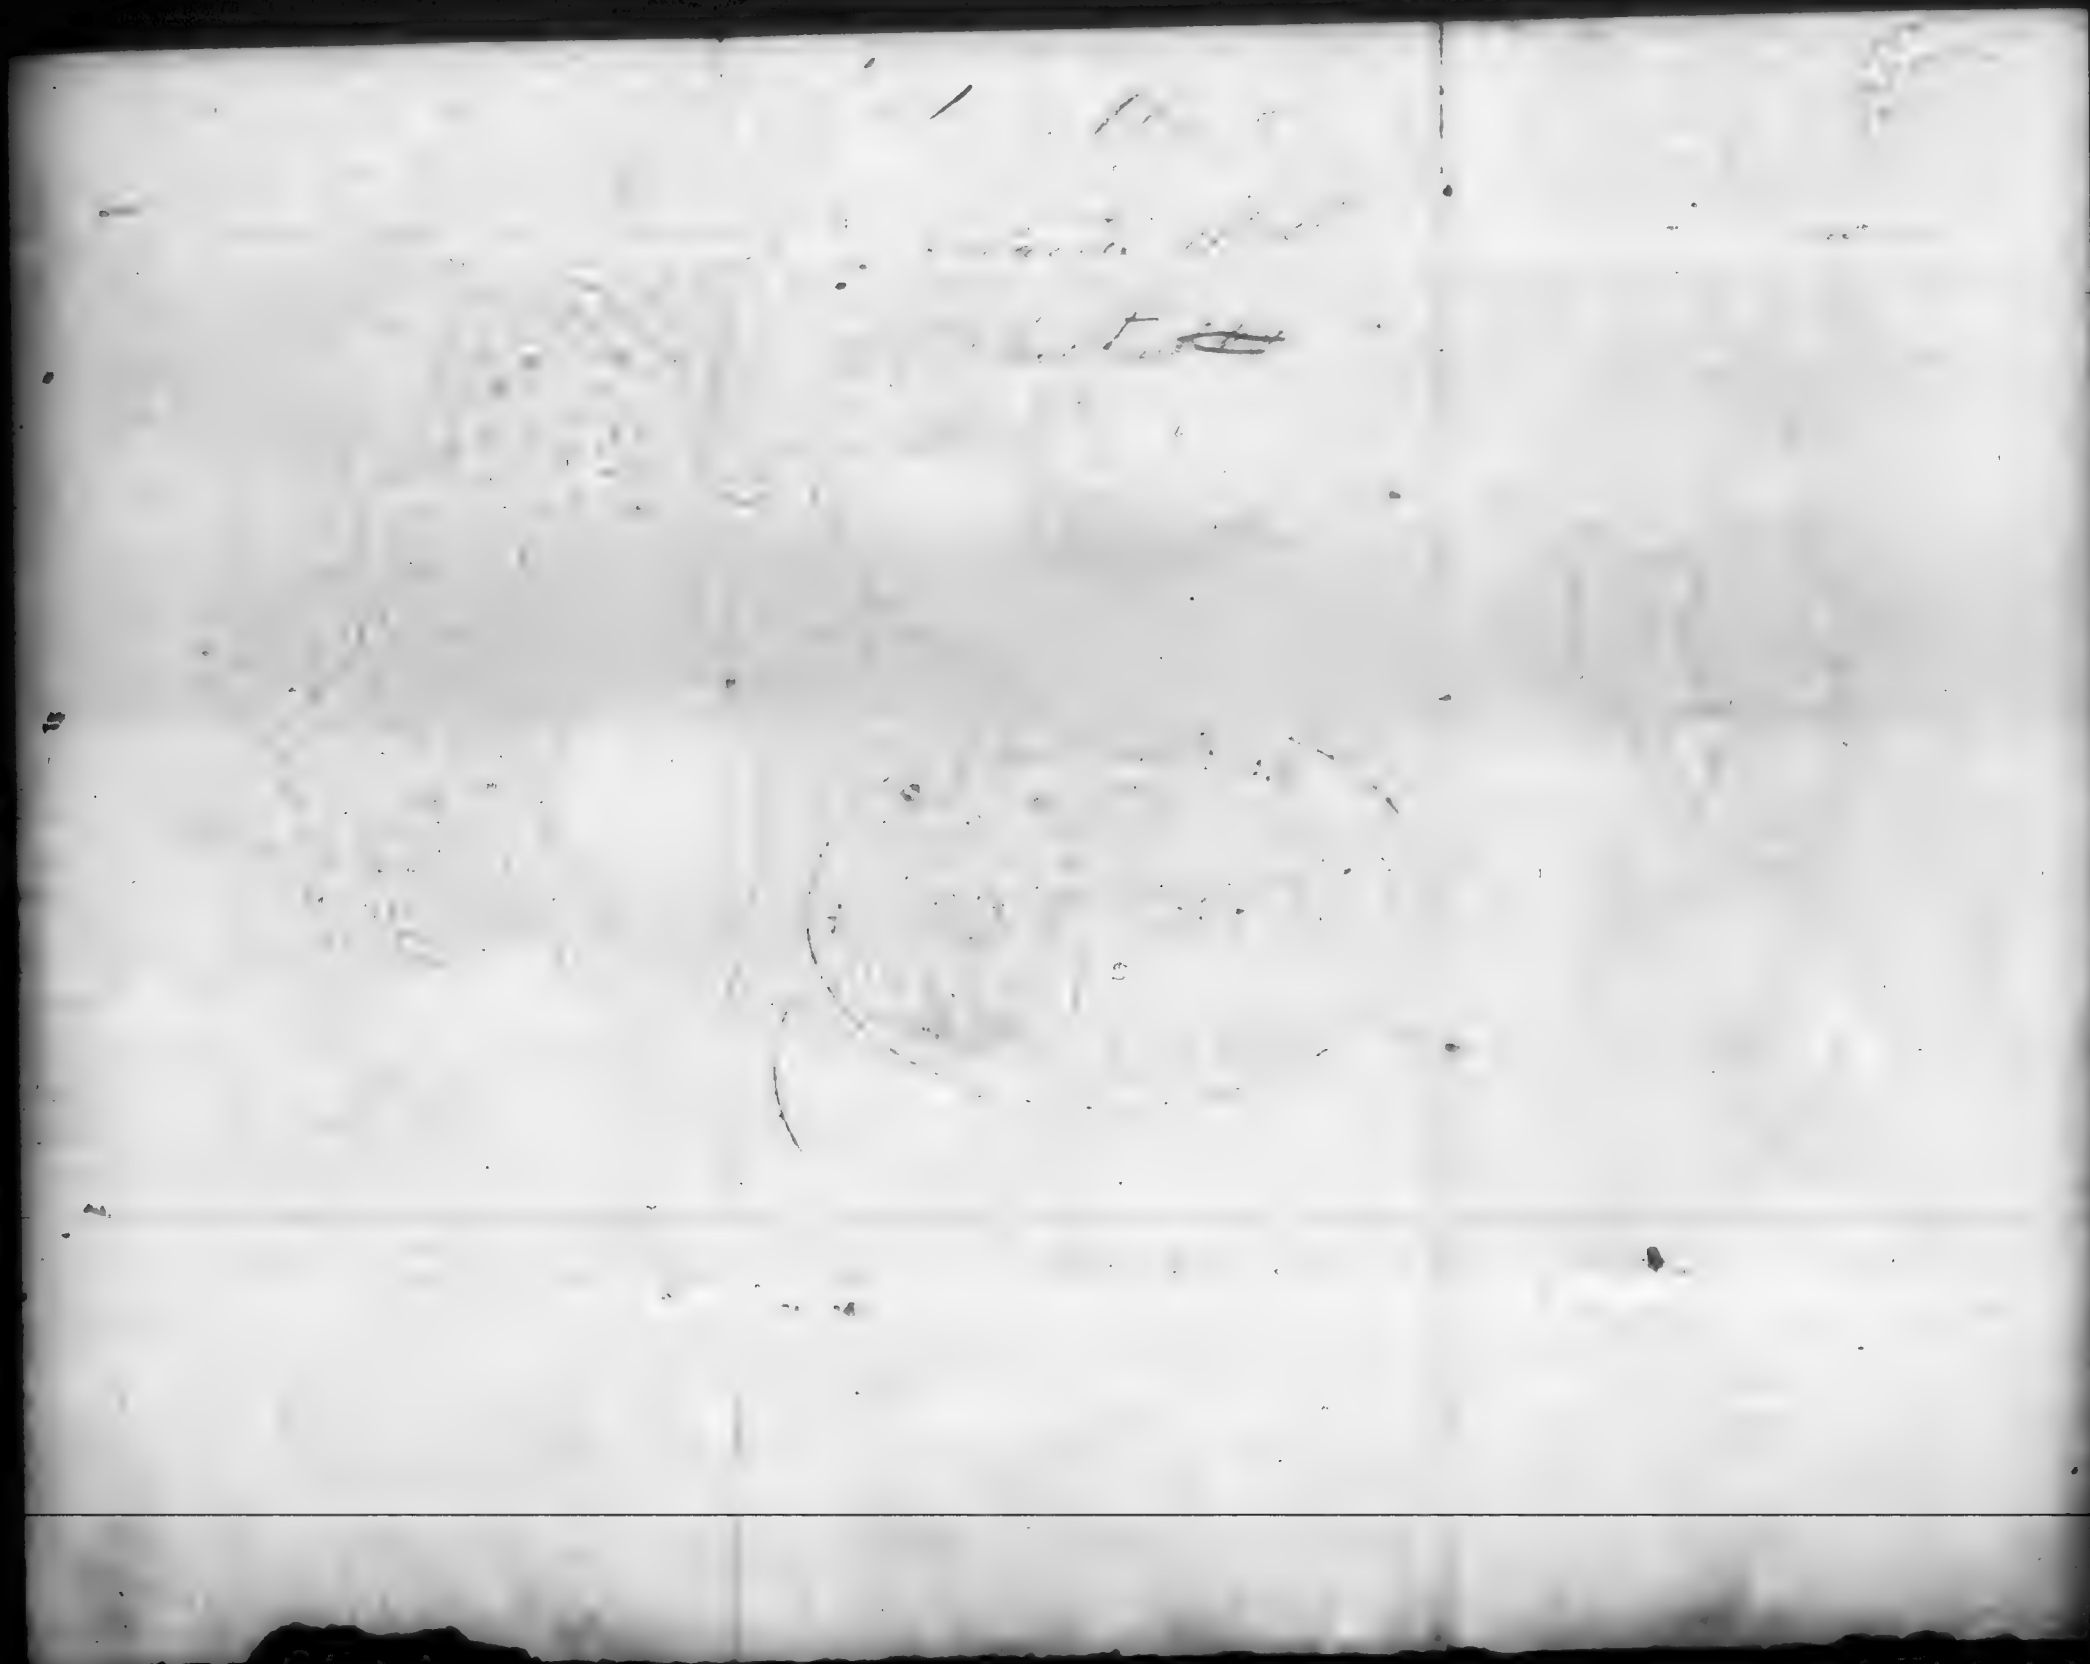

Respy returned to the Secy of War.

The practice of the Department in appointing Drill Masters for service under the orders of this Bureau has been to allow their employment in any branch of the En-

rolling service when their services can be made most useful under this practice. Drill Masters have been variously engaged in instructing Conscripts in drill, in performing clerical duties at the Hd Qrs of Commandants, and at Camps of instruction and as Enrolling Officers. The Bureau has thus been enabled to employ most beneficially for the service the material available for the execution of the law. But for this practice the functions of the Enrolling service would in some sections of the country have been entirely suspended.

Ans.

I had no reason to believe that Col
Chilton desired to conceal anything connected
with that note, or to avoid the responsibility
of writing it.

Did I not so soon as advised ^{by you} that you had used that note
officially, I prefer to desire that Genl. Magruder should re-
ceive a copy, & advise Genl. Magruder accordingly.

Ans.

As soon as Col. Chilton was informed by me
personally of the disposition made of this
note by placing it before the President, he told me
that he desired immediately send a copy
to Genl. Magruder. Col. Chilton was ignorant
of the disposition made of the note until this

Genl.

Your letter of this date has been received. I have the honor to make the following replies to your questions.

1st On taking command of this army on 1st of June 1862, Col. Rhett who was chief of staff with Gen. Johnston informed me that he did not desire to continue in the position. I applied to Gen. S. Cooper & Col. Rhett for a suitable officer to fill the place and you were ordered to report to me.

2nd To this I answer emphatically in the negative. During the eleven months you have served with this army you have always been content and active in the discharge of your duties and I have never seen you to be actuated by any other motive than the performance of them from the interests of the Service.

3rd To the third question I reply No I have

served with you in Mexico and Texas, as
well as in the present campaign, and
have always found you both open and
straightforward in your views.

4th When the army was in the Valley of Mexico
I was informed by the Department that
a General Officer would be appointed to command
the Cavalry and Chief of Staff to the General
Mandate. When you first saw me in that
Department I discussed the subject with me
in regard to my intention, or speaking
with you on the subject I seem to have
you for the position. As far as I know
were not aware of your intention until I
permitted it to be known.

I am, very respectfully,
Your obedient servant,

D. H. H.

Wm. H. Howard

The Court ^{then} adjourned to meet to resume
the 14th inst. at 10 o'clock A.M.

Battles of the around Richmond

^{Ans}
I was on his Staff as Adjutant General.

State whether you were advised by Genl Jones, of a
conversations which occurred between himself and
Genl Van Hook respecting his conduct during the
Battle of ~~Manassas~~ ^{Manassas} whether ^{Genl Jones} he prepared any
belief in ^{General} Van Hook's incompetency & excitement
in ^{any of those} ~~that~~ occasions

About his incompetency I heard ^{General Jones} ~~some~~ express
himself very freely to his Staff Officers on several
occasions - stating that he believed him to be
incompetent as a General.

Question dated July 11th 1862

Please state whether you regarded my note to you respecting Genl Magruder's assignment to the Trans-Mississippi Dept as ^{merely} suggestive of inquiry into his fitness for that command, ~~as making direct charges against him~~

Answer

I regarded the note as suggestion of inquiry, ~~and not as a charge~~ and also used it as an official paper.

Please state whether the disposition made of that note was of your own thought ~~and~~ without my knowledge.

Answer

It was entirely of my own thought and without the knowledge of Col. Chilton.

The Court then adjourned until

nature of the communication resulting
from

Did you receive the ~~letter~~
Col Chilton's letter of
July 11th 1862, in relation
to Genl Alexander
as an imposter or
unwarrantable com-
-munication?

I consider the letter perfectly proper.
Col. Chilton, occupied the position with Genl
Lee's Army as Asst. Surg. and Inspect-
Genl, and in that capacity. I consider
that he was justified in writing any letter or
report affecting the interests of the ^{Union} ~~Service~~. I would
consider it his duty to do so.

Major A. H. Magruder a witness called
by Col Chilton, was duly affirmed.

4

~~It is~~ did not the proper in that note to ~~present~~
bring testimony to establish my beliefs in Genl. Magruder's
incompetency, simply convey to your mind the probability
of a demand for a Court of Inquiry by Genl. Magruder
& in that respect involve publicity to my ^{agency} ~~action~~ in
the matter, should that note be used officially

Mr

I am, as usual, etc.

Please state whether any ~~other~~ communications
to your knowledge upon the subject of Genl. Magruder
other than the note already referred to, ever
passed between the President & myself. Had such
been the case would it not probably have been men-
tioned by the President

~~Do you know~~ Do you know that Gail Magruder
~~read the communication and referred it to Genl Cooper~~
~~respecting her own father's & showed it to the Presd & said~~
 Have you ever heard ^{Gail Magruder} ~~him~~ say that ^{he had seen} ~~there were~~ other
 communications addressed to the Presd by me rela-
 ting to himself than that given him by Genl Cooper

Had such been the case would it not be probable
 that he would have mentioned them to you

Please state whether the relations between Gail Magru-
 der & myself had been of a kindly character or other-
 wise, previous to his recall last July by the Presd.

5
Am^r

I have no knowledge of any person called
John the Baptist and his family. The
subject is not. If such had been the case
I presume that it would have been mentioned
to me by the Government.

Do you know of any private interests ^{on my part} which
could possibly have been advanced by the endeavor
to have Genl. Wagner's appointment to
the Trans-Mississippi Dept. revoked

Please state whether Genl. Wagner had received any
intimation of my agency in his recall previously
to any receipt of copy of my note sent to him.

I have no further to say on this subject
and the best I can do is to say of the

7
Genl. The Hon. Secy.

Please state whether Genl. Magruder rec'd a copy, or his
sions intentionall, made indicated there in, of a note
addressed by me of July 11th 62 to Genl Cooper reading
to his recall from the Trans-Missouri Command
if so about the time of its receipt

Answer

I have not a letter in my possession of
Genl. Magruder's handwriting, or of any
of a date previous to the 1st of July 62
and the reason why I have not is
because the only letter from him which I
received before he was ordered to
report to the Secretary of War was
dated July 1st 62 and was
sent to the War Department
and I have not a letter from him
since that date. I have not a letter
from him dated after July 1st 62
and I have not a letter from him
dated before July 1st 62.

8.

Please state whether Genl. Magruder had rec^d pre:
^{the receipt} viously to this copy any intimation of my agency in
the matter

Ans:

I heard Genl. Magruder say that he had
seen a letter addressed by Genl. Chatham to
Genl. Cooper in the hands of the President
and then to turn by the President; and
when he saw Genl. Chatham's letter, he
copy of the letter & address of Genl. Cooper
he remarked that the copy was not quite
accurate, & he said he would
give me a copy of the letter & address of Genl. Cooper

Please state whether any communications respecting
Genl. Magruder were ever made by me either orally
or in writing to the President so far as your knowledge
extends

Ans: I have no knowledge of the subject.

9.

1-1-1-1

Ans:

51

I know nothing of the relations, either personal
 or official, existing between Genl. Magruder and
 Col. Childs prior to the battle of Seven Days.
 Soon after that battle, when Genl. Lee assumed
 command of the Army, Col. Childs became a
 member of his Staff, and ~~was~~ ^{was} as ~~an~~ ^{an} official friend,
 had frequent occasion for ~~personal~~ ^{official} intercourse
 with Genl. Magruder, who then
 commanded one wing of the Army. I have
 seen Genl. Magruder and Col. Childs some-
 times ~~separately~~ together, especially when
 Genl. Lee was present, Col. Childs attending
 him as a member of his Staff. Their intercourse
 as far as I ~~know~~ ^{know}, seemed ~~to be~~ ^{to be}
 generally official. I remember on one occasion
 Col. Childs being at Genl. Magruder's headquarters on
 official business, dined with the Genl. ~~and~~ ^{and}
 his mess. On then and all occasions when I
 have seen them together, their intercourse was marked
 by ~~the~~ ^{kindness and courtesy.} ~~and~~ ^{and} ~~and~~ ^{and}

Are you aware of any possible private interests on my
 part which could be advanced to ^{Genl. Magruder's} ~~the~~ ^{prejudice} or
 which could ^{be} ~~might~~ ^{induce} ~~unfavorable action~~ ^{unfavorable action}

I am not.

The session on the part of Mr. Clinton
was here ended.

In response to his personal request a resolution
was as a reputation of our intention of

The requirements of G.O. No. 12, U.S.A. & 1st Lt. explain what
defects are required. The enclosed Circular (U.S.A. & 1st Lt. No. 12)
of which copies have probably been already
sent you explain what is required of inspectors and the
Black & White Report with its various headings indicate
all points upon which information is desired. Under the
head of "Remarks" any information respecting the character
efficiency of Commanders, the condition of their troops and
all material connected with it will prove valuable. The
character efficiency of officers also it is most desirable to know
as in making promotions there is frequently great difficulty
in such information. I would like bits of all staff
officers serving with commands to accompany the reports
as it is impossible to maintain where such officers are
located from the very irregular and imperfect system
sent into the U.S.A. & 1st Lt. office. This is by the way one of
the most important duties of an Inspector i.e. to see
that the required returns are sent forward and in such
completeness as will give the requirements of G.O.
No. 12.

Ark. He has not been treated with the consideration
he deserves & the fact he, as a soldier, not appropriately
spilled his blood who was entitled a first class in the
service. I have ordered as best to experience it
to proceed to S.M.V. & under advisement with the
superintendent of the hospital at the hospital thought

with the details of the service, and along with first class

directing him to act under advisement with you.
In organization he can assist you materially & I hope
you will keep him moving. With regard to the Hospital
I spoke to Dr Moore & Dr. Galt who inform me that
matter has been submitted to Genl. Lee. I would suggest
only an examination of the Hospital, the

I am in doubt if rigid examination is made it
will be found that commands in the field have
not strictly adhered to the present with their

Secy. of War, Richmond, Va.

Sir:

I have understood that the nomination of Col. R. H. Chilton, apt. Asst. Genl., to the apt. of Brig. Genl., as Chief of Staff of Army of A. Va., under the law authorizing such apt. was rejected by the Senate at its last session.

I do not know the reasons which influenced the Senate, nor do I know whether his re-nomination would be considered proper. Col. Chilton was assigned to that position with his then rank of Lt. Col. by the Asst. & Insp. Genl. of the Army, when the Army of A. Va. was posted around Richmond for its defence. He was fulfilling the duties of his office when the law was passed giving increased rank, and was recommended by me for promotion to the grade authorized. He has been performing the same duties since his rejection by the Senate, and to the best of my knowledge and belief, with fidelity, honesty and intelligence. He has been subjected to all the dangers and hardships of the latter and Campaign in which the Army of A. Va. has been engaged, and has deserved promotion. I consider it my duty, therefore, to state distinctly

to spare and to the President, in justice to
Fillmore, that I know of no act that he has
committed that would cause him to forfeit
the confidence of the Senate. I think it also
due to him to say that, in my opinion, he
is entitled to the position for which he was
recommended by me, and that his commission
as Brig. Genl. ought to date back to the period
at which he was nominated to the Senate.

I am, Sir, very respectfully,

Richmond Va April 18 1864

I respectfully resign my Commission as Brig^{de} General.
This appointment was conferred while I was Chief of Staff upon Genl. Lee's recom-
mendation, & as I have requested to be relieved from this duty upon your
call for my assignment to another & a more arduous field of duty, this Commission as
belonging to my late duties, would probably vacate with their cessation. When
conferred, Oct 18th 62, it was valued as a mark of Genl. Lee's approval of my official
conduct, but it has since been the means through which I have been subjected
to undeserved mortification, & in having brought disrepute upon Genl. Lee's rec-
ommendation of one regarded by the Senate as unworthy & 2nd through the base
and false statements made to & believed by the Senate, preventing its cor-
rection, an evil only partially remedied by its late acknowledgment (by my
confirmation) of the injustice done to me, giving me a date and request to the
President, of over 12 months. To one of my date of service, & who has "participated in all
the labour, hardships & dangers encountered by the Army of N^o for the past
two years" & who has been "unceasing in his efforts to promote the interests of
the service" this grade in itself would be regarded as a very insufficient
reward for services rendered, & compared with the promotion of others
& the relative character of service performed, but as I have looked to the
cause alone, disregarding considerations of professional pride, making my
situation in that respect trying, so long as I thought I was usefully em-
ployed, I resign now with the foregoing remarks as necessary to explain
my reasons for giving up the higher for the lower grade, an unusual cir-
cumstance in military life

In passing through the new Hospital
established at the old Fair Grounds, Surgeon Mer-
idith (in charge) reported to me the incompetency
unfitness for his position of Dr Woodbridge a Contract
Doctor - As there are many serious wounds requir-
ing high surgical ability to manage, he cannot con-
scientiously entrust them to one evidently ^{so} incapable,
as he observed him to be yesterday, when he examined
the patients with him - The arrangements at this Hos-
pital were progressing to greater order & comfort al-
though wanting still in some respects, for example in
the bad cooking, manner of serving ^{up food} & want of atten-
tion - The Surgeons also, helping with the Hospital Matron
are delayed in their meals and as they in few instances
attend to the Sick until after their meal their attendance
is thrown late into the day. Surgeon Meredith who seems
to be anxious to remedy all these evils, has given in-
structions which may lead to their correction. I saw
very few cases, who appeared capable of field duty and
they were detailed men - This the Surgeon also promised
to look into -

Finding

On a careful consideration of the testimony adduced in the case, the Court finds the following facts, viz:

1st - That, on the 11th of June 1862 Colonel A. H. Chilton, then on the Staff of General Lee, Commanding the Army of Northern Virginia, as Adjutant and Inspector General, did write a letter to General Cooper, Adjutant and Inspector General of the Army, impeaching the professional ability of Major General Magruder, denying his fitness for responsible command, and urging a revocation of the order assigning him to the Tenth Mississippi Detachment.

2nd - That Colonel Chilton incorporated in that letter an offer to make good his allegations, before a Court of Inquiry -

3rd - That the letter was communicated to the President by General Cooper.

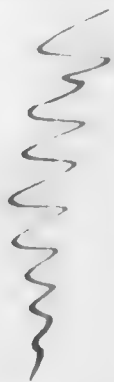

4th - That, being apprised of the substance of the letter, Colonel Chilton immediately furnished Major General Magruder a copy of so much of it as contained his (Col. Chilton's) statements on Major General Magruder's official conduct and capacity.

Your letter of this date has been received, & I have the honor to make the following replies to your questions.

1st - On taking command of this army on the 1st of June 1862, Col. Chilton, who was Chief of Staff, 1st Regt. 1st Div. 1st Div. informed me that he did not desire to continue in the position, & desired to send a Captain & a 2^d Lieut. for a suitable officer to fill the place, and you were ordered to report to me.

2^d - To this I answer emphatically in the negative. During the eleven months you have served with this army, you have always been zealous and active in the discharge of your official duties, and I have never known you to be actuated by any other motive in the performance of them than the interests of the Service.

3^d - To the third question I reply - No! I have served with you in Mexico and Texas, as well as

Question

Did not Gen. James State Gen. Alexander to have shown excitement at Malvern Hill which explained his conduct rightly to handle troops?

Ans

He made such statements; but not from any thing he saw himself.

The evidence on the part of Col. Chilton was here ended. He testified of his general integrity of purpose, and no imputation of any intimation of intention to act in an unfair and an officer like manner. Col. Chilton presented to the Court the following letter:

General

With the view of disturbing the mind of the Court influenced to my prejudice by false testimony to me, I will thank you if consistent with your sense of duty to answer to the following questions:

1st. How long have I been associated with this army as Chief of Staff? What were the circumstances of my assignment?

2nd. Have you ever known me in the performance of my duties assuming, me, or things to examine into and to endeavor to correct all violations from orders to be actuated by other than honest convictions in my discharge of official duties?

3rd. Have you ever observed, during your acquaintance with me, before and since the war, any thing in my conduct or character which would justify the belief that I could injure another unfairly or

Present, Col Chilton attending him as a member of his staff. This interview, as far as I observed, was generally official. I remember on one occasion Col Chilton, along with Gen Magruder's Staff Quarters in official business. ^{times with the General's mess.} On that and all other occasions when I have seen them together their intercourse was marked by kindness and courtesy.

Question

Are you aware of any possible private interests on my back which could be advanced to Gen Magruder's prejudice or which might induce me to say so?

Ans

I am not.

The Court then adjourned to meet tomorrow the 14th inst at 10 o'clock A.M. Col A. Howard called as a witness by Col Chilton was duly sworn.

Question

What was your connection with General J. F. Jones at the battles around Richmond?

Ans

I was on his staff as Staff General.

Question

State whether Gen Jones expressed any belief in Gen Magruder's incompetency and disloyalty on any of three occasions?

Ans

I think his incompetency. I heard Gen Jones express himself some times to his Staff Officers on several occasions, stating that he believed him to be incompetent.

Question

Have you ever heard Genl. Magruder say that he had been otherwise communicated with, to the President by me, relating to him, save that given him by Genl. Cooper?

Ans.

I do not remember that I ever heard Genl. Magruder say anything to that effect.

Question

Had such been the case, is it not probable that he would have mentioned them to you?

Ans.

I really can not tell. I saw the General's brother, and was on his staff at the time referred to, and of course on intimate and confidential terms.

Question

Please state whether the relations between Genl. Magruder and myself had been of a kind of character or character previous to his recall and only by the President.

Ans.

I knew nothing of the relations, either personal or official, existing between Genl. Magruder and Col. Chilton prior to the battle of Seven Pines. Soon after that battle when Genl. Lee assumed command of the Army Col. Chilton became a member of his staff, and, as his Adj. Genl. had frequent occasion for official intercourse with Genl. Magruder, who then commanded the wing of the Army, I have seen Genl. Magruder and Col. Chilton sometimes together, usually when Genl. Lee was

Question

Please state whether any communications respecting Genl. Magruder were ever made by me, either orally or in writing, to the President, so far as your knowledge extends?

Ans

I have no knowledge on that subject.

Question

Please state if known to you the manner in which my communication respecting Genl. Magruder's usefulness for command reached the President?

Ans

I know nothing of my own knowledge on that subject.

Question

Have you any reason to suppose it reached him indirectly or anonymously, and if so please state that reason?

Ans

I have no reason to form any conclusion on the subject, except from what I learned from hearsay, and even from hearsay, I knew of the anonymous communication, but inasmuch as such testimony is in my judgment inadmissible, I prefer not to disclose it, unless required by the Court, especially as it might involve a breach of confidence, what I heard on that subject being confidential.

Question by Col. Chilton

(Please state whether Genl. Magruder received a copy (omissions intentionally made indicated therein) of a note addressed by me July 11th 02 to Genl. Cooper, leading to his recall from the Trans-Mississippi command, and if so about the time of its receipt?)

Ans.

I saw such a letter in the possession of Genl. Magruder purporting to embody a copy of a letter addressed by Col. Chilton to Genl. Cooper. This was seen after the date of the original letter, sometime in July 1862, and not long after the return of Genl. Magruder under the order recalling him. This copy contained in one place certain asterisks, and it cannot better signify the contents than by producing an accurate copy of the original, now in my possession [Copy of letter here produced and found to correspond with the letter on record].

Question

(Please state whether Genl. Magruder had received previously to the receipt of this copy any intimation of any agency in this matter?)

Ans.

I heard Genl. Magruder say that he had seen a letter addressed by Col. Chilton to Genl. Cooper in the hands of the President, and shown to him by the President, and when he received Col. Chilton's letter, including a copy of the document addressed to Genl. Cooper, he remarked that the copy was not full or accurate, according to his recollection of the original, indicating certain omissions.

Question

Do you know of any private interests on my part which could possibly have been advanced by the endeavor to have Genl. Magruder's assignment to the same? None, I am persuaded.

Ans

I certainly do not.

Question

Please state whether Genl. Magruder had received any intimation of my agency in his recall previously to receipt of copy of my note sent to him?

Ans

I have no knowledge that he received any intimation of the kind previously; nor am I aware of the nature of the communication recalling him.

Question

Did you regard Col. Chilton's letter of July 11, 1862 in relation to Genl. Magruder as an intemperate and unwarrantable communication?

Ans

I considered the letter perfectly proper. Col. Chilton occupied the position with Genl. Lee as a staff & staff officer, and in that capacity I consider that he was justified in writing any letter or report affecting the interests of the service, and I would consider it his duty to do so.

Major A. B. Magruder's witness called by Col. Chilton was fully affirmed.

21

copy and advise Genl. Magruder accordingly?

Ans

As soon as Col. Chilton was informed by me, of the disposition made of the note by placing it before the President, he told me that he should immediately send a copy to Genl. Magruder. Col. Chilton was ignorant of the disposition made of the note until this personal interview.

Question

Did not the proffer in that note to bring testimony to establish my belief in Genl. Magruder's incorruptibility, convey to your mind the probability of a demand for a Court of Enquiry by Genl. Magruder, & in that respect implore publicity to your agency in the matter, should that note be used officially?

Ans

I certainly so considered it.

Question

Please state whether any communication to your knowledge upon the subject of Genl. Magruder, other than the note already referred to, ever passed between the President and myself. Had such been the case would it not probably have been mentioned to you by the President?

Ans

I have no knowledge of any communication between the President and Col. Chilton on the subject referred to. If such had been the case I presume that it would have been mentioned to me by the President.

21 General Cooper a witness, called on the part of
Col Chilton, was duly sworn:

Question

Please state whether you regarded my
note dated July 11, '802 to you, respecting Genl.
Magruder's assignment to the Trans-Miss. Dist.,
as merely suggestive of inquiry into his fitness
for that command?

Ans.

I regarded the note as suggestive of inquiry
and also used it as an official paper.

Question

Please state whether the disposition
made of that note was of your own thought
and without any knowledge?

Ans.

It was entirely of my own thought
and without the knowledge of Colonel Chilton.

Question

Had you any reason to believe
that I desired to conceal my action in that
matter, or to avoid any responsibility attached
thereto?

Ans.

I had no reason to believe that Colonel
Chilton desired to conceal any thing connected
with that note or to avoid the responsibility of
writing it.

Question

Did I not, as soon as advised by you
that you had used that note officially, express
desire that Genl. Magruder should receive a -

order concerning the Court, as the basis of its action. And the Court cannot adopt a course of proceeding which would relieve Col. Chilton from the position of the accused, and recognize him as the accuser before a superior into whose conduct the Court is not directed to inquire.

This is not a Court of Inquiry, upon General Magruder. If the Court should pursue the course of investigation suggested by Colonel Chilton, General Magruder would be placed on trial, and that too in his absence, without notice to him, without affording him an opportunity of challenging the members of the Court, of confronting his accusers, and responding to their allegations.

The Court declines a course of investigation so manifestly unjust, and so contrary to the practice of Courts of Inquiry.

The Court then adjourned until tomorrow, the 12th instant, at 10 o'clock a.m.

(Richmond May 12 '63)

The Court met pursuant to adjournment, present Brig Gen Field, Major Gen Powell and Brig Gen Hyer absent, attending the funeral ceremonies of the late Lieutenant General J. G. Jackson. The Court then adjourned to meet at 10 o'clock a.m. on the 13th inst.

Sir -

I submitted to the Committee on Military affairs your request to be permitted to prove before the Committee the statement in regard to Genl. Magruder made in your letter of the 15th July last to Genl. Cooper. The Committee declines according to your request, for the reason that the whole matter has passed beyond the control of the Committee, and any error which might be made could not now affect either their action or that of the Senate. I consider your confirmation as Colonel as fully exonerating you from the complaints made, and the charges preferred against you for writing that letter. Had the Senate regarded it in any other light, of course your nomination for that position would have been withheld. Individually I commend you for freely and frankly communicating the facts you did to Genl. Cooper, and I hope and trust that the day is not distant when the zeal and devotion to the public interest exhibited by you in writing that letter may

removed by this course, but it leaves me precisely under the same imputations as if neither had been confirmed and, in fact, if I have forfeited one by misconduct, I certainly do not deserve the other, nor do I desire it. This first imputation against my character after serving in the army over 25 years and after returning home with loss of all my possessions (except an unblemished character, which, I think, I have) in order to leave that unsullied to my family, to appeal, through you, to the Committee to be confronted with those who have been, (I fear) working as industriously against me, as I have been striving to do, in the performance of the duties of my position. In my strictures upon Genl. Magruder, I expressed my readiness to meet the responsibility publicly, by offering to prove their correctness, which in itself is ample evidence that no secret was contemplated by me in my action towards that officer. I took back from the Committee the same conditions, and the opportunity in personally confronting my accusers, of proving, by other testimony, than my own the correctness of my strictures, the honesty of my motives, and the absence of even the slightest concealment in my intentions. I trust much is due to the untiring and unceasing devotion with which I have labored for the Cause, if not to the benefits derived from these labors. As I have already stated to you the Commission is nothing to me, having been conferred, amongst by me, at the instance of Genl. Lee, and without my knowledge, except in so far as its non-confirmation reflects unfavorably upon my character. My object in this matter is simply justice to my reputation, having no feeling against Genl. Lee; my conscientiousness towards him having resulted in revocation of the order which I sincerely believed would prove seriously injurious to our Cause, and believing the Senate desires to act without prejudice,

Dear Sir

In compliance with your request I have to state that I received from you about the 12th or 13th inst. a letter dated I think the 11th of that month, bearing upon the conduct of Genl. Magruder in some of his recent engagements with the enemy before Richmond. I deemed it my duty to send the letter before the President, and on receiving it, suggested it did to Genl. Magruder and to the Vice President as would have an opportunity of answering the same and answering the same. The President then referred the matter to the Vice President. Genl. Magruder having a day or two previous, left here under orders to take command of the 1st Division. The first time I met you after the receipt of the letter, which was about a week or two days after its date, I informed you what I had done. You remarked that you had written the letter chiefly for the purpose of inquiry; but as it had taken this direction and would endeavor to obtain a copy and forward the same to Genl. a Book. This Book was not demanded by Guilford, for reasons both known & unknown, and no explanation moved in this direction it seems to the author to cause the publication of mine. This morning my friend, who we have already stated, my well thought suggestion, was given directly to Mr. Loomis, and not knowing whether he had informed Guilford of my report, he soon after heard of the intention then made of it, to remove it without notice to the author. I took the volume immediately, and, long time, I regretted that my letter, by coming into Guilford's hands, had been made an argument calculated to influence him against the publication of his father's record. It seemed to me, however, as no inconsistency was to be found in the thought for the publication, and the fact of his name, appearing in a List of Council Members, by no means to my own State, and in which the interests of many of my nearest relations and many neighboring States were involved.

Sir

Since my conversation with you, in thinking over the matter of Genl. Magruder's statements at the time I wrote to Genl. Crocker I find that I had left for his destination, and was recalled in consequence of that note. He had also returned at the time I sent him a letter, as it was sent to me at the Baltimore Hotel, so far as I can recollect at this time.

The note, having been the cause of recall, must have been presented to him, in charge requiring explanation, and it was informed him of my action and respectful attitudes of accused and accuser, resulting in further official action on my part not to establish my allegations before

Not so original, but was written hurriedly, when
 hearing that Gen. Magruder was assigned to the
 command of a district of Country in which I was
 more or less interested by many considerations,
 as well as before that but who was so truly
 kind & so generous to recommend me. Gen.
 Magruder had chosen himself to be on the ground
 immediately, and was anxious to be
 shut to understand a point, and looked to in-
 troduce such suggestions as Gen. Cooper would
 lead to more particular enquiry into his capabil-
 ities, and to the revocation of the order
 assigning him, respecting of course to find any
 particular arising from my agency in this matter.
 A few days afterwards (Sunday) I rode into town,
 and visited Gen. Cooper, who informed me
 that he had been very much to the President
 about the same day to the effect, mentioning a
 report of my wife, the contents of which, I gave as
 they related to Gen. Magruder, I sent to him,
 enclosing something (relating) and informing him
 that as a matter, because we had a right to be better
 and withholding it would be dangerous. I omitted
 my name, because I had no right to
 involve him in any controversy which might
 arise from the Magruder and myself, and re-
 commendation to the Board, so his technical could
 not be made in the Board of Review, which
 in this manner could be made for the various
 circumstances of the case, and I think he would
 be up his character then under a cloud.
 Before this time, I expected to establish everything
 advanced in my note, all of which I imagine the
 reports when published will establish. I have no
 doubt that Gen. Magruder was advised of reasons
 for his recall when he returned, without any attempt
 to withhold my name, or at any rate the moment
 when that my note had been given to the
 President. I took immediate steps to give him a
 copy, having ever chosen to deal openly with all

10 that Gen. Hagerman has proved himself incompetent to command, and has damaged us greatly in our late fight, by his incompetency.

Genl.

Your kind letter of the 18th was received last night and I desire to reply to it. With regard to the situation of the Senate I am willing to leave to them, and if I have done since the session of the Senate I am willing to leave to them, my sole desire being to serve the cause, I am willing to do so in any capacity in which they may deem me useful. I am willing to do so in any capacity in which they may deem me useful. I am willing to do so in any capacity in which they may deem me useful.

As you feel that an excuse for my note to Genl. Lee was needed, I might say that it was written in my capacity as Secy of the Army, and not as a private report, secret or not, to the President, my duty, upon a matter personally affecting the service, to be acted upon by him at his discretion might suggest. My note however did

8 I ask a copy on the original, in order to send
him a copy, having sent it hurriedly, and with-
out editing it. I had thought that its effect
would have been a conversation between Brown-
son and Mr. Cooper, leading to a consultation
with Mr. Lee, whose stern integrity of character
and honesty, & with editorial of abstract direction,
upon this point, would have led to a decision of
doubtless of some assignment. This opinion of
mine is not based upon what I have heard
of Mr. Lee, but my observation of facts which
I know must be within the knowledge of
Mr. Lee.

this matter.

Sir

I have to day been informed by Genl
Cooper that a letter written by him with hopes of
bringing to your notice the expediency of sending
Genl Magruder to a portion of country in which I
am particularly interested has referred to you direct.
This letter contained matter personal to myself, &
unnecessarily was not intended for your eyes, and
was sent with the purest of motives by me
namely friend, Genl Cooper, I wish, first, to in-
form you that it was a matter entirely between Genl
Cooper & myself, without the knowledge of Genl Lee,
and the use of Genl Lee's name was confectural,
on my part, nor does he know so far as any
conversation between ourselves has gone, of its existence.
This is justice to Genl Lee, whose caution about
expressing opinions involving others is so uncom-
monly to begeth to your recollection.

Secondly as regards Maj Genl Magruder, as that
letter appears to have had an effect in producing
his recall, it is not honorable that I should send
him a copy of portions relating to himself, so that
may be said to have acted sub rosa.

General

The more I have thought upon the subject of Magruder's Mission, the more strongly convinced am I of the sad injustice to be inflicted upon the people of the South West by sending one so utterly incompetent and deficient as is Magruder. The country is in some, so far as my letter from earlier capable of judging of public sentiment go to show, against that sort, on account of Lovell's conduct and moral failures, and it will be adding to the crime to send down Magruder. General Lee appears in my letter of his incompetence, but will not ask unless directly asked by the President for his opinion, and, really, since I make attempt to be progressing, successfully there, it is a hazardous observation to send a Marshal there to induce us to displace. I assert the fact and will hope it helps our kind of Inquiry, and by Genl. Lee as a witness, that Magruder has proved himself to be incompetent to command and has damaged us greatly in our late fight, by his incompetence. I refuse charges with something else than incompetence. It is unwise then to charge another, but it is from regard for the cause and to avoid any more of my disadvantages as regards action, by not being offered service of positions to advance, moving and acting even with my friends of former years upon the same terms, without some kind of allusion to the calculation to elevate our 'soldiers' side, which is only less than that individual side providing attribution for what might be considered as a favor, although ^{with} even both picked up from civil life without the same claims, I might infer a right to advancement. Only I want time to show that I am actuated

character as an Officer. It found to have acted
 discreditably, but little desire the com-
 mission still remain, as the one confirmed, but I do
 wish as I brought nothing of my possessions from
 the North, but an unblemished character, never
 before questioned during a service in the army of
 more than 25 years, to leave this unpolluted to my
 family. To accomplish this, it becomes necessary
 to establish correctness of my statements with regard
 to Genl. Magruder, as to the openness and
 frankness of my course in this matter, having
 invited investigation of my allegations which in
 itself evinces a desire to be known (if my note was
 recalled) as authority for statements leading to Genl.
 Magruder's recall, and also sending to him a copy
 of my note to Genl. Cooper (in so far as it related
 to him) upon which intimation that it had been
 given to the President, and had produced his recall.

charged him with something worse than in-
competence. This letter is regarded by
some as an attempt to injure Genl Allen
in a covert and unfair manner. Complaint is
also made that in communicating a copy of
your letter to Genl. Phagruder you left out
that portion relating to the alleged charges of
Genl. Fournier, and that you did not send
the deficient copy to Genl. Ph until he
had learned from another source what had
been written by you about him. It is also
stated to me that Genl. Fournier has denied
that he had ever made the charges you attrib-
ute to him. The Committee, before finally
acting upon these nominations, have thought
it proper to communicate these objections to
you for information to you, that you may, if
you desire, give a response to them.

Dear Sir

I am instructed by the Committee on Military Affairs to inform you that objections are made to the confirmation of your Nomination as Lieut. Genl. with the rank of Colonel made at the last Session, and of your Nomination as Brig. Genl. made at the present Session of Congress. The objections are based upon your letter to Lieut. Cropper of the 11th July last, in which you speak in very disparaging terms of Genl. Magruder, and in which you say that "Genl. D. R. Jones

The Court was then sworn by the Judge Advocate, and the Judge Advocate was sworn by the Presiding Officer of the Court, in the presence of Col Chilton. Col Chilton then presented to the Court the following papers:

I respectfully submit to the Court that my desire in appearing before them is to establish the sincerity of my motives in desiring further investigation into Genl Magruder's fitness for the command to which he had been ordered. And that no concealment or unfairness in the course adopted by me was designed against Genl Magruder, but with the full expectation of appearing in the investigation naturally expected to take place soon in regard to the order, and to show that my belief in Genl Magruder's unsuitability for the position was not singular, but common to many, in fact almost general, based upon operations in which he had

Colonel

Dear Sir, I will allow me
most respectfully to call your attention to the case
of Capt. S. A. Williamson (U. S. A.). He has been
a commissioned officer in your department
nearly from the commencement of the war. As
a Lieutenant he commanded a company
at the battle of Bull Run, and was commended
by the commanding General for his gallantry
and good conduct on that occasion. When
Hampton was abandoned and burnt, he lost
his all, and has since been in our family.
He was not inconsistent at James River Island
during the occupation of the peninsula, since
which time he has been stationed in Richmond
as you are aware, during the winter and
summer months, when the burden of the numerous
duties of his office, faithful and
trust to your satisfaction. I say with confidence
that I think he is one of the most industrious
punctual, and efficient officers in your
department that I have any knowledge of.

He is anxious for promotion. Will you do me
the kindness to give the subject attention. I am
sure you will do him justice.

I am, Sir, with great respect

Yours truly

Of the \$166,141.00 (One hundred sixty one thousand one hundred & twenty one dollars & fifty cents) balance due the C.S. in July 1906: \$100,000. (One hundred thousand) is in C. S. per cert. certificates of indebtedness; \$45,000. (Forty five thousand) are represented by a check drawn by Major Henry Johns, Inspector No 10 Memphis in C.S. Treas, at Richmond which check is now in the hands of the Express Company for collection \$117,500 (One hundred seventy one thousand) cash on hand; & \$20,000 N.C. Contractors with this dept. for cotton fabric.

The vouchers for \$20,000 paid Major Stone on account was not entered in Summary Statement of Purchases which the vouchers for the following reasons to wit: These parties are contractors under the Gentry Rule; their stipulation to furnish the C.S. Government 2/3 of their production, which quantity (with the cost thereof) is determined under regulation approved by the 2nd General. These regulations require the Contractor to file an affidavit showing the quantity & cost of goods furnished. When the account is paid for a monthly supply. I have filed the affidavit of Contractor with the voucher, in order to show the entire transaction. I have adopted this plan to explain apparent discrepancies in prices, because under the rule referred to the cost of production varies, according to location of factories, facilities of transportation of raw material, &c. In the case of the Major Stone under discharging the amt. due was \$66,606.62 (Sixty six thousand six hundred and six dollars & six cents), and as they represented themselves in my account of funds, I paid them all I could spare \$20,000 on account, & took a proper voucher in Form No 12 (submitted to Col Sanders Inspecting Officer). My explanation

was to receive funds sufficient to liquidate the claim
for payment thereof in full to withdraw the vouchers
allotted to substitute one for the other amount filing
thereof the affidavits of the Contractor.

In concluding these observations I remark that
the \$100,000 six per cent. Certificate of indebtedness
are found not to be available at this post, the
uniform demand of Creditors of this Department,
being for 'Currency' in satisfaction of their accounts.

GENERAL ORDERS }

NO 1

In obedience to the orders of the President of the Confederate States, I assume command this day of the Military Division of the West, East of the Mississippi River, comprising the Department of Tennessee and Georgia—commanded by General J. B. Hood, and the Department of Alabama, Mississippi and East Louisiana—commanded by Lieut. Gen'l Richard Taylor. These officers will retain command of their respective Departments, issuing orders necessary for the proper discharge of their duties.

In assuming command of this important Military Division, I conjure on all officers and soldiers, harmony, real, implicit and prompt obedience to orders and confidence in themselves and their commanders, and success will then surely crown their efforts to drive the enemy from our soil and establish the independence of our country.

2nd LIEUT. A. N. TROTANT—A. D. C.

Dear General

As Genl Bragg is moving much the largest portion of the Army from Tupelo to Chattanooga would it not be well for you to select some other place than West Point as the depot at which your heavy baggage should be stored, from what Genl Gordon told me ⁱⁿ W.P. is one of the depots for the heavy baggage of the Army.

I saw yesterday Major Tyler who is just from Richmond. (I think he is in the Asst. Genl's Office there) he informed me that

Genl. G. W. Smith had not
been ordered to Charleston,
and that Jackson was
on his march back to
the Valley of Virginia
and that we ought to
hear from him in a few
days as he has with him
20,000 fighting men.

From three to five thou-
sand of Genl. Bragg's
command arrived here
yesterday and today.

Any place you may
select for our baggage
it can be removed to
immediately by my telegram.

Yours truly
Philip St. Mallon

My dear General

Your letter of the 6th inst. did not come to hand until the afternoon of yesterday and owing to the difficulty I have had in having your glasses mended I could not send them by you by the next boat. At last I have been obliged to purchase a new pair for you & could not get the broken glass replaced. I hope the new pair will suit you if not return them to me and I will return yours.

The steamer that takes the stage sent you away for two weeks leaving you might get out of your present snail. The new snail glass is 1/2 inch of 300 since 8 300

I have seen to the place on the Bay mentioned to you in a former letter. I do not think either the locality or the accommodations of the place will suit you. It is a small house kept by a mulatto woman, frequented by persons desiring a good fish

dinner now and then. You could
only get two rooms and have
intensely small and unconfor-
table.

I would you desire to come
to Mobile and you are going
on to Richmond and if you
don't see of his room which
is most delightfully cool well
furnished and comfortable.
You would be as quiet here
as any where. Since the depar-
ture of Genl Jones for Chattanooga
some officers of Genl Tompkins
staff and some of our men
live here.

We have little or nothing of
Genl Briggs' movements. Every
thing is kept so secret that no
one knows what is going on
there. I saw Genl Sickles and
who is on his way to Louisiana
he told me that he thought Genl
Briggs would move from Mobile
when he does start and that
besides he took under his
command he will have about
4000 men. He says our last
before Richmond was about

about the 1st of the January we
lost the 35th Mass. in the battle
of Red Bank and were forced
that we have been forced
by a small force since the
battle on the Atlantic coast.
The government has been
convinced that the
military has not been sending
any of its troops to sea force
take. Jackson has about
20,000 men and is daily receiving
more and is said to have
only 10,000.

So long we have received a dispatch
that we had whipped the
army it is true. Our old friend
Charles Winder has been killed.
Genl Winder has been wounded
after having started for the front
with I Col. Johnston as Chief of
Genl Lee's staff having written to
the Secy that he considered it
his duty that he could not be
convinced completely to be
trusted with a separate command
and as Genl. Sigel is no longer
a general, his provisional rank
has been taken from him. Such

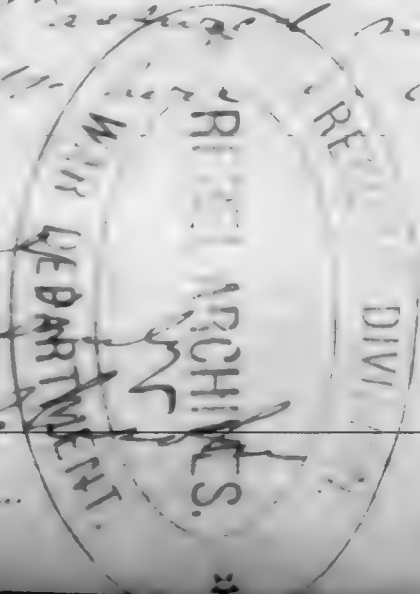

in which that terrible and design
which she can no more feel this
disgrace.

I am a hundred times more obliged
but it is all blame resting on
you and I feel more indebted. And
you are a true friend and I am
delighted to hear that you
approved of the plan. I am
sure the same is true of the
certain to create an unpleasant
impression both in your own state
and throughout the Union.
I hear that Mr. E. Johnson is to
be killed.

I ordered Amos to remain here
but he went off with other friends on foot.
There is a great deal of trouble
in the house which the General
would give me to see in light
but I have neglected to do so.

Remain dear General

Yours

Yours of 31st ult in

reply to mine of 29th is Recd. I regret that the Society of War
would not make the four details, agreed for. That Society
a small number of Acting Enlisted Men to take for in so
large a Department. Since writing, Gen. M. L. has
been detailed by Genl. Beauregard. My services are
indispensable to us in the Manufacture of Whiskey.
Lt. Col. and Private Dawson are invaluable to me
as Commissary Agents. Both of them deserve Commisions.
The former was wounded at Vicksburg & 2nd Lieut. of a
Company of only 12 privates fully Officered and evidence how
little he was needed there. Dawson has been performing
Commissary duty (Regimental) during the major portion of his
 enlistment. These remarks are merely intended as explanation
of my former application for the detail.

Respectfully Yours
